

UpToDate® Anywhere for Aalborg Sygehus

AALBORG UNIVERSITY HOSPITAL

Getting started:

In order to gain access to UpToDate Anywhere you will need to login with your current UpToDate credentials when the registration page appears, OR register for a new account. Once registered, you will have access to UpToDate from any web browser and on up to two mobile devices.

- 1 Access UpToDate through - medbib.rn.dk - and select the UpToDate icon on the start page. Then on the search page Click on the “Login/Register” tab in the upper right hand corner
- 2 If you already have an account with UpToDate, then log in using your existing credentials
- 3 To create a new account - please register as a new user and create your username and password as shown in the pop up box.

The screenshot shows the UpToDate website interface. At the top right, there is a 'Log In/Register' link highlighted with a blue box and a callout: '1. Highlighted link to Log In/Register'. Below this, there are two main sections: 'Log in (Returning User)' and 'Register (New User)'. The 'Log in' section has fields for 'User Name' and 'Password', a 'Remember my user name' checkbox, and a 'Log in' button. A callout points to this section: '2. If you *have* an existing UpToDate individual subscription, login as a returning user'. The 'Register' section has fields for 'First Name', 'Last Name', 'Email Address', 'Verify Email Address', 'ZIP/Postal Code', 'Specialty', and 'Practice Type', along with 'User Name' and 'Password' fields. A 'Submit Registration' button is at the bottom right. A callout points to this section: '3. If you *do not have* an existing UpToDate individual subscription, register as a new user'.

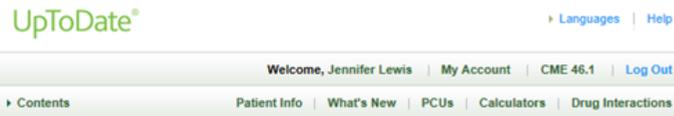

Important: You will use your username and password to access UpToDate from mobile apps and the UpToDate website login.

Register and earn CME:

Remember: You must register from within the Aalborg University Hospital network in order to gain access to the mobile apps and accrue CME credits. Complete all fields and click "Submit Registration."

This is a onetime registration. Once registered, you will receive an email confirmation from UpToDate.

To ensure you are logged in correctly and earning CME credits, check to make sure the CME tab appears in the navigation bar as shown below.

UPTODATE® ANYWHERE MOBILE APPS!

You are now able to download any of our mobile apps on up to two devices:

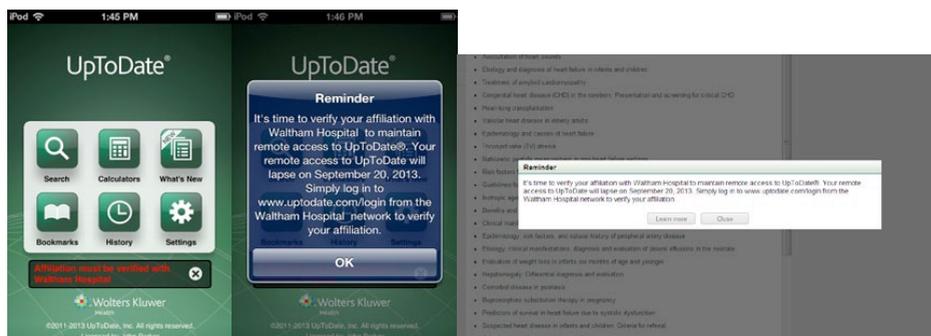

Once the mobile app has downloaded on your device, please use the UpToDate username and password you created during the registration process to log in.

REMOTE-ACCESS to UpToDate:

In addition to the mobile device, with the credentials that you created during the registration process, you can now access UpToDate from any computer with internet access. Simply go www.uptodate.com from any web browser and click the "Log In" button located in the top right corner of the website.

30 Day Re-Verification Required

In-application & email messaging will inform you of the need to verify affiliation with your organization. Complete verification by logging in to UpToDate from a Aalborg University Hospital network computer at least once every 30 days.

For more information on how to download the App please go to:
