Egon Toft
Research Director

Department of Haematology

Jakob Madsen
Head of Department

Dept. Of Clinical Medicine, AAU

Sten Rasmussen
Head of Institute

Haematology Research Section

Marianne Tang Severinsen
Professor (Chair)

Core Functions

Marianne T Severinsen
Professor

Haematological Research Laboratory Unit

Karen Dybkær
Professor

Epidemiology Unit

Tarec C. El-Galaly
Professor

Clinical Trial Unit

Mette Gulbæk
Head Research Nurse

Clinical Implementation & PM Unit

- ½ Haematologist
- 1½ Research Nurse

Research Secretariat

- 1½ Research Secretaries

Functional Laboratories

- 1 Postdoc
- 1 Research Laboratory Technician

Biobank

- 2 Research Laboratory Technicians

Real World Evidence

- 1 Senior Statistician
- 1 Statistician
- 1 Student Helper

Supervision of students

PhD Students: 11

Master Students: 6

Medical Student (Research Year): 1

Clinical Trials

- 20% Haematologist
- 7 Reprojektsygeplejersker
- 2 Research Laboratory Technicians
- ½ Research secretary
