

This architectural drawing shows a long, low building facade. The structure is divided into several sections by vertical lines. From left to right, there is a door with a vertical slat pattern, a small rectangular window, a square window, a central entrance with a door and a vertical slat pattern, another square window, and a final square window on the right. The drawing is a simple line sketch on a light background.

This architectural drawing shows a side elevation of a building. The structure is long and low, with a flat roof. On the left side, there is a large window unit consisting of three vertical panes and a smaller square pane to the right. Below this window unit is a textured, shaded area. To the right of the window unit, there is a single, small square window. The drawing is a simple line sketch with some shading to indicate texture and depth.
