

Introduktion til Cinahl

The screenshot shows the Cinahl search interface. At the top, there is a navigation bar with links for 'New Search', 'Publications', 'CINAHL Headings', 'Cited References', and 'More'. On the right side of the navigation bar, there are links for 'Sign In' and 'Folder'. Below the navigation bar, the search area includes the EBSCOhost logo, a search bar, and a 'Search' button. There are also 'AND' dropdown menus and 'Select a Field (optional)' dropdown menus. A 'Clear' button is also present. Below the search area, there are links for 'Basic Search', 'Advanced Search', and 'Search History'. The 'Search Options' section is expanded, showing 'Search Modes and Expanders' with radio buttons for 'Boolean/Phrase', 'Find all my search terms', 'Find any of my search terms', and 'SmartText Searching'. There are also checkboxes for 'Apply equivalent subjects', 'Apply related words', and 'Also search within the full text of the articles'.

Søgning i CINAHL

CINAHL er en bibliografisk database, som dækker biomedicin og syge- og sundhedspleje samt nærtbeslægtede discipliner som fysioterapi, ergoterapi, ernæring m.m. Basen er engelsksproget. Udover tidsskriftartikler medtages henvisning til bøger, bogkapitler og disputatser.

Fra Medicinsk Biblioteks hjemmeside vælges **CINAHL** på listen over "Databaser og elektroniske ressourcer".

Forfattersøgning i CINAHL

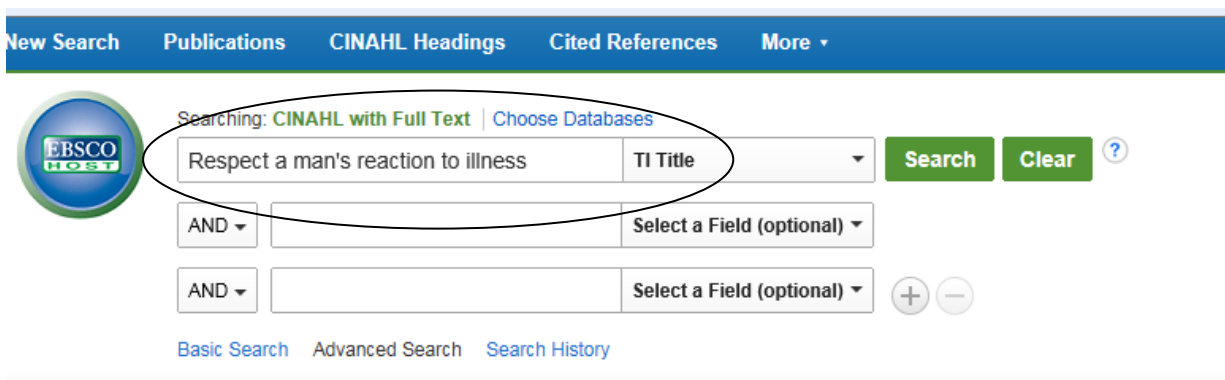

Skriver efternavn og eventuelt forbogstav fra fornavn og vælg **AU Author** i rullemenuen

The screenshot shows the CINAHL search interface. At the top, there is a navigation bar with links: "New Search", "Publications", "CINAHL Headings", "Cited References", and "More". Below this is the EBSCO logo and the text "Searching: CINAHL with Full Text | Choose Databases". The main search area contains a text input field with "delmar c" and a dropdown menu set to "AU Author". To the right are "Search" and "Clear" buttons. Below the main search field are two additional search rows, each with an "AND" dropdown, an empty text field, and a "Select a Field (optional)" dropdown. At the bottom, there are links for "Basic Search", "Advanced Search", and "Search History".

Titelsøgning i CINAHL

Skriv artiklens titel og vælg **TI Title** i rullemenuen

The screenshot shows the CINAHL search interface. At the top, there is a navigation bar with links: "New Search", "Publications", "CINAHL Headings", "Cited References", and "More". Below this is the EBSCO logo and the text "Searching: CINAHL with Full Text | Choose Databases". The main search area contains a text input field with "Respect a man's reaction to illness" and a dropdown menu set to "TI Title". To the right are "Search" and "Clear" buttons. Below the main search field are two additional search rows, each with an "AND" dropdown, an empty text field, and a "Select a Field (optional)" dropdown. At the bottom, there are links for "Basic Search", "Advanced Search", and "Search History".

Emnesøgning i CINAHL

Spørgsmål: Har patienter med AMI øget risiko for depression?

Søg på **myocardial infarction** som kontrolleret emneord i **CINAHL Headings**:

Vælg **CINAHL Headings** fra CINAHLs forside

The screenshot shows the CINAHL search interface. At the top, there is a navigation bar with links for 'New Search', 'Publications', 'CINAHL Headings', 'Cited References', and 'More'. Below this is a search bar with a dropdown menu for 'Select a Field (optional)', a 'Search' button, and a 'Clear' button. There are also two 'AND' operators with dropdown menus for 'Select a Field (optional)'. Below the search bar, there are links for 'Basic Search', 'Advanced Search', and 'Search History'. The 'Search Options' panel is open, showing various search modes and expanders, including 'Boolean/Phrase', 'Find all my search terms', 'Find any of my search terms', and 'SmartText Searching'. There are also options to 'Apply related words' and 'Also search within the full text of the articles'. The 'Limit your results' section includes checkboxes for 'Full Text', 'Abstract Available', 'Author', 'English Language', 'Research Article', 'Search Only Pre-CINAHL', and 'Evidence-Based Practice'. The 'References Available' section includes a 'Published Date' filter with 'Month' and 'Year' dropdowns, and a 'Publication' text input. Other options include 'Peer Reviewed', 'Exclude Pre-CINAHL', 'Exclude MEDLINE records', and 'Meta-Synthesis'.

Skriv **myocardial infarction** i søgefeltet og klik på **Browse**:

The screenshot shows the CINAHL search results page. At the top, there is a navigation bar with links for 'New Search', 'Publications', 'CINAHL Headings', 'Cited References', and 'More'. Below this is a search bar with the text 'myocardial infarction' and a 'Browse' button. There are also three radio buttons for 'Term Begins With', 'Term Contains', and 'Relevancy Ranked'. Below the search bar, there are links for 'Basic Search', 'Advanced Search', and 'Search History'. The 'CINAHL Headings' link is highlighted, and there is a 'View Tutorials' link. The 'Browse' button is circled in red.

Overvej om du vil **Explode** myocardial infarction og klik herefter på **Search Database**.
